

Neha Joshi

Mechanical Engineer

Chennai, Tamil Nadu | +91 98400 78901 | neha.joshi@email.com | linkedin.com/in/nehajoshi

PROFESSIONAL SUMMARY

Mechanical Engineer with 7 years of experience in automotive component design, prototyping, and testing. Proficient in CAD modeling, FEA simulation, and DFM principles within fast-paced manufacturing environments.

PROFESSIONAL EXPERIENCE

Mechanical Design Engineer — Ashok Leyland

2019 - Present

- Design and validate transmission components for electric vehicle platforms using SolidWorks and ANSYS.
- Reduced prototype iteration cycles by 30% by introducing rapid 3D-printed test fixtures.
- Lead DFMEA reviews for 5 major component programs, identifying and mitigating critical failure modes.
- Collaborate with manufacturing engineers to optimize designs for cost and production efficiency.

Design Engineer — TVS Motor Company

2016 - 2019

- Developed CAD models and engineering drawings for suspension system components.
- Conducted tolerance stack-up analysis to ensure manufacturability of complex assemblies.

EDUCATION

B.E. in Mechanical Engineering — Anna University

2012 - 2016

SKILLS

SolidWorks • ANSYS FEA • GD&T • DFMEA • Prototyping • Manufacturing Processes

CERTIFICATIONS

- Six Sigma Green Belt
- Chartered Engineer - Institution of Engineers (India)
