PROFESSIONAL SUMMARY

Compassionate Registered Nurse with 9 years of experience in critical care and emergency medicine. Skilled in patient assessment, trauma response, and interdisciplinary care coordination in high-acuity environments.

PROFESSIONAL EXPERIENCE

Charge Nurse, ICU — Apollo Hospitals

2018 - Present

- Supervise a 14-bed ICU unit, coordinating care for critically ill patients across day and night shifts.
- Reduced central line infection rates by 40% by implementing updated sterile technique protocols.
- Train and mentor incoming nursing graduates as part of the hospital's nurse residency program.
- Serve on the hospital's rapid response team, responding to 200+ code activations annually.

Emergency Department RN — Yashoda Hospitals

2014 - 2018

- Triage and treated 30-40 patients per shift in a Level I trauma center.
- Collaborated with physicians on treatment plans for high-acuity trauma and cardiac cases.

Staff Nurse, Medical-Surgical — Care Hospitals

2012 - 2014

- Managed care for 6-8 patients per shift, administering medications and monitoring post-operative recovery.
